

## MEET EILEEN GOLD

Eileen Gold, M.A. is a graduate of UCLA with her Masters in philosophy. Eileen serves as a consultant to residential, day activity and governmental programs serving individuals with impairments. She has many years' experience in administration, program development, case management, community organization and advocacy.

Eileen is a frequent guest speaker at forums addressing the issues impacting the lives of older adults. Her professional affiliations include organizations such as Professional Fiduciary Groups, Alzheimer's Association of Ventura County; Advisory Committee to Camarillo Health Care District Adult Day Care; Elder Abuse Council of Ventura County; Professional Association of Geriatric Case Managers, A.A.U.W., Chamber of Commerce, and UCLA Alumni Committees.

She is the owner/administrator of Paraclete Elder Care Services. The business has served Ventura County residents form more than 20 years. She was recently named volunteer of the year by the Camarillo Health Care District.
