

MEET Matt Wolff, LCSW

Matt Wolff MA, LCSW is an Abbvie Parkinson's Disease Advocate with over 13 years of social work experience in healthcare. He spent over 10 of those years working at The University of Chicago Medical Center, working with patients and families facing chronic illness. In his PD Advocate role, Matt has worked with hundreds of patients and care partners living with Parkinson's providing individualized education, support and resources.

Additionally, he has spoken at Parkinson's Disease support groups across the country presenting an overview of the disease and a guide to participating in the management of the disease along with an introduction to the Abbvie Parkinson's Disease Advocate Program.
