

Meet Wayne Pickerell

Presentation: Clinical Trials for new PD treatments The Ventura Parkinson's Support Group invites you to learn about current clinical trials and research with a presentation by Mr. Wayne Pickerell of Neurosearch Inc.

Mr. Pickerell is the founder and Vice-President of Neurosearch. He will be speaking about current clinical PD trials for new PD treatments as well as general research that are taking place nationwide. He has over twenty years of experience in the healthcare industry.

For over twenty years, Mr. Pickerell has worked in the healthcare industry, including being a previous owner of a home medical equipment company and a consultant to medical equipment businesses. Mr. Pickerell received his education at the University of Denver, with special studies at the DU Graduate School of International Studies.

When: Wednesday, January 10 2018 from 1:00 pm to 3:00pm

Where: Lexington Assisted Living 5440 Ralston St. Ventura, CA 93303

Speaker: Wayne Pickerell, Neurosearch

RSVP call 805-766-6070
