UCLA Departments of Neurology and Neurosurgery invite you to a free seminar

UCLA movement-disorders specialists will discuss treatment options, including medicines, surgery (deep brain stimulation) and noninvasive therapies, to cope with tremors.

Topics include:

- Coping strategies
- Surgical therapies – deep brain stimulation (DBS)
- Medical treatments
- Noninvasive treatments – focused radiation and ultrasound

Speakers:

Nader Pouratian, MD, PhD
UCLA Neurosurgery
Director, Neurosurgical Movement Disorders Program

Ausaf A. Bari, MD, PhD
Assistant Professor
UCLA Department of Neurosurgery

The program will also include guest speakers, local movement disorders specialists Erin Present, DO and Sarah Kempe-Mehl, MD.
