

MEET NICOLE PALMAN. MSLP Certified LSVT

Nicole Palman graduated from California State University, Northridge in December 2015 with a Master's degree in Speech Language Pathology. She has worked as a speech language pathologist at Providence St. Joseph Medical Center for the past two years.

Nicole is certified in the Lee Silverman Voice Treatment (LSVT) Loud program, which was designed to improve vocal loudness, intonation and voice quality for individuals with Parkinson disease. She also provides treatment for speech, cognitive and swallowing disorders that may arise in individuals with Parkinson disease. She sees patients in both the inpatient and outpatient setting.
